# Tejas Bhatkar

As a recent graduate specializing in Java Full Stack Development (JFSD), I am a highly motivated fresher eager to launch my career in web development. I am seeking a secure and responsible career opportunity where I can fully utilize my training and skills to contribute significantly to the success of a forward-thinking company. With a solid foundation in both front-end and back-end development, I am enthusiastic about applying my knowledge and growing within a dynamic and innovative environment.
